EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Between the paragraph of claim 29 and the paragraph of claim 31, insert the following as a separate paragraph:

---30. (Cancelled)---

In claim 55, line 9, after "covering" insert a comma.

2. The following is an examiner's statement of reasons for allowance: In the amendment filed 13 April 2004, applicant incorporates indicated allowable subject matter of claim 8 into independent claims 1, 19 and 20, and the subject matter of claim 32 into claim 29. The amendment to claim 55 overcomes the objection. The terminal disclaimer filed 24 March 2004 overcomes the double-patenting rejection of independent claim 42.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
